<sup>1</sup> By completing a Skip-A-Pay you are requesting Marshall Community Credit Union to advance the loan due date equal to one month's payment. You understand that the current balance of the loan is extended by the amount of the payment skipped and that interest will continue to accrue on your loan balance throughout the deferred payment period, which may further extend the term of your loan. If there is more than one borrower on a loan, both borrowers are required to authorize a Skip-A-Pay request.

<sup>2</sup> \$3,000 maximum loan amount. All approved loans will receive a fixed rate of 8.99% APR. Monthly payment on \$2,000 at 8.99% APR for 18-month term would be \$120.99. Subject to credit approval. Limited time offer.

<sup>3</sup> Three-month Deferment Offer: Interest will accrue during 90-day deferment period. First payment must be made on the due date disclosed in the loan agreement. Certain restrictions apply. Subject to credit approval. Limited time offer.
