MCCU Announces New MHS Student-Run Branch Tellers

Marshall Community Credit Union is pleased to announce the addition of two new student Tellers, Tony Dent and Jack MacQuaig. Both Tony and Jack joined the organization last month and will be working not only at the credit union's Battle Creek branch, but also helping to raise awareness of MCCU's Student-Run Branch at Marshall High School.

Both Tony and Jack are seniors at MHS this year. Outside of working at the credit union, Tony is on the boy Varsity soccer team and men's swimming & diving team. He is also a part of the MHS band where he plays trumpet. Jack is on the MHS men's cross-country team and is an active member of the Redhawk Theatre Group. He is also involved in the National Honor Society and Youth in Government.

In conjunction with their job at MCCU and helping to run the Student-Run Branch, the boys will also take an Independent Study class with MCCU Financial Education Coordinator, Andrea Tucker. Where they not only learn necessary job skills and experience, but also a wealth of financial education from learning to budget, the importance of good credit and how to use a credit card wisely. All in effort to prepare them to be successful money managers as adults.

"Due to public health concerns, our Student-Run Branch is not currently open at MHS. But, we are excited to still be able to offer our program to our hired student Tellers," said Andrea Tucker. "This year will certainly be different for us and our school program, then it has been in the past. But if we have learned anything from this pandemic, it's to be flexible and work with what you've got. And we've got a lot of great financial education that we can still share. Just in a different way!" continued Tucker.

Marshall Community Credit Union is a federally insured full-service financial institution with offices located at 839 West Green Street in Marshall and 1157 East Michigan Avenue in Battle Creek.
