BluFish Consulting and Marshall Community Credit Union Team Up to Support Oaklawn Hospital

Two local organizations have teamed up in an effort to support the 2021 Oaklawn Benefit Auction and Oaklawn Hospital. BluFish Consulting and Marshall Community Credit Union are hosting the BluFish/MCCU Raffle! Two lucky winners will be drawn, each will have the opportunity to pick between any of three fantastic raffle prizes.

“We look forward to this event every year – trying to come up with exciting donations, and also by participating in the socializing, auctions, and raffles. The best part of all these efforts is that an amazing organization in our community benefits,” said Ryan Traver, owner of BluFish in Marshall. “We may be missing the socializing portion of this year’s event, but this may be the most important event in 31 years because of the ongoing pandemic. We’re proud to partner with another amazing organization from our community, MCCU, to offer such a fun raffle experience for this year’s virtual attendees,” Traver continued.

“We love to partner with local organizations for a good cause, and have been a sponsor of, and have had employees volunteer at, the Oaklawn Auction for several years now,” said Corrie Rozell, COO at Marshall Community Credit Union. “We especially like to participate in the Oaklawn Auction because their philosophy is very similar to our credit union philosophy of people helping people. The result of the auction is always funds raised for a much needed cause, and this year is no different,” Rozell continued.

Raffle prize options include;

- 1) The BluFish Peloton Package (\$2,513 value) which includes a Peloton Bike, 1-year Peloton all-access membership and a \$150 Peloton gift card.
