

Working Together

Two students are chosen and hired to work for MCCU and at the MHS SRB for one year. Teamwork is important and a must. Working together not only at the SRB, but also on assignments, at school events, and on other projects throughout the year are common. Student representatives must work well together in order to have a successful year.

CLASS OF 2022

Students Serving Students

**Who's looking for an
outgoing Junior that is
interested in learning about
personal finance, business,
marketing and getting paid?**

MCCU, that's who!

A Positive Partnership

The MHS Student-Run Branch is a partnership between Marshall High School and Marshall Community Credit Union. The goal of the SRB is to provide students real life experiences within the financial world by teaching the value of saving and spending wisely, as well as providing money management skills that will help students succeed financially in their adult life.

Requirements

Academic Requirements:

- Must meet academic grade requirements set by Principal.
- Must take the SRB Independent Study class with provided teacher.
- Must be a MHS Senior at the start of the 2021-22 school year.

Credit Union Requirements:

- Attend interview with MCCU's Financial Education Coordinator and Teller Supervisor.
- Meet all employee requirements set by Marshall Community Credit Union.
- Comply with all MCCU polices.

"I learned a lot about personal finance which has prepared me for my future, including the importance of a having good credit."
~ Tony Dent

Safety and Security

During the training process, student representatives learn the importance of strict confidentiality. They are trained to protect members financial information and keep it private. The students use software that limits the amount of member information that is displayed to them. Plus, an MCCU team member is on-site at all times.

It is imperative that members personal and financial information is kept safe and secure. Sharing member information is strictly prohibited and will result in termination.

Expectations

Student representatives are expected to not only abide by and follow all credit union rules, guidelines, policies and procedures, but as a part of the MHS SRB program, also

- Assist with setting goals (and working to help meet those goals),
- Participate in school events to help promote the SRB program,
- Complete monthly assignments and actively participate in brainstorming sessions,
- Work at least 6 hours/month at MCCU
- Help with advertising for the SRB, including marketing posters, weekly PA announcements, etc.
- Be available each Friday during lunch to work at the SRB,
- Be a positive credit union representative.

Employment Opportunities

Chosen student representatives will be given part-time employment at Marshall Community Credit Union. Throughout the school year this employment opportunity is within MCCU's Teller Department where student representatives are required to work at least 6 hours per month, but are encouraged /allowed to work as often as their schedule allows.

"I've enjoyed working at the credit union this year. And even though the SRB was closed, I still learned a lot about business and finance. And made some extra cash!"
~ Jack M.
