Marshall Community Credit Union Participates in Branch County United Way Event.

Marshall Community Credit Union was excited to once again be a sponsor at the Branch County Live United in Color 5K Run and Walk. The event took place at the Heritage Youth Ball Fields in Coldwater, on Saturday, August 21st.

There are lots of great 5K's out there, but none more colorful than this one! Celebrating their 9th straight year of colorful fun, the Branch County United Way's Color Run 5K was a huge success. With 15 color stations, participants could run, walk or ride thru each station ending up COVERED in color.

MCCU was a sponsor of one of those color stations, and was happy to support the Branch County United Way. "The United Way does so much for those in need, and this year is no different. Because in today's reality, the United Way may be called on even more than they have been in the past," said Brandee Pabian, MCCU Coldwater Branch Manager. "The United Way's mission is similar to the credit union's mission of People Helping People. So, it only makes sense that we support our local United Ways as well," she continued.

Marshall Community Credit Union is a federally insured full-service financial institution with offices located in Marshall, Battle Creek and Coldwater. For more information on products, services or membership, please contact 269.781.9885 or visit marshallcommunitycu.com.
