MCCU Donates to Walters Elementary through Mini-Grant Program

Marshall Community Credit Union recently donated \$300 to Walters Elementary School through their Mini-Grant program. Walters Elementary 1st grade teacher, Marcie Hydrick, submitted the application stating that the funds would be used to purchase book bins to change her classroom library and make it a theme-based library, for the 2021-22 school year.

“By organizing books by theme rather than by reading level, my students will be able to search for books according to their interests rather than their reading level,” said Hydrick. “This will help my students enjoy what they are reading and will help them develop a passion for reading,” she continued.

MCCU’s mini-grant program is available for teachers, administrators and school staff at any of their partner schools (those that participate in the credit union’s CU In School program, an in-school, student run credit union branch). Participating schools include Mar Lee, Marshall High School, Marshall Middle School, Walters, Hughes and Gordon Elementary, as well as Wattles Park Elementary, and Harper Creek Middle School. Mini-Grants can be used for items or services that participating schools do not normally purchase through funding resources.
