## MCCU Fulfills Need of Hospital Patients

Staff at Marshall Community Credit Union’s Coldwater Branch recently learned of a need within the community. A patient at Promedica-Coldwater requested reusable insulated cups to help keep beverages cold throughout the day.

“When MCCU member, Lonna Burch reached out for help, we were more than happy to make a contribution,” said Brandee Pabian, Coldwater Branch Manager. “The Credit Union philosophy is ‘people helping people’ and this is a great example of that,” she continued.

Together, with the support from another MCCU member, Joe Sisco of Marketing Machine Marshall, 100 cups were produced and donated. On November 17th the cups were picked up by Jerry Burch, (Lonna’s husband) to benefit Coldwater Hospital patients.
