MARSHALL COMMUNITY CREDIT UNION JOINS AMERICA SAVES WEEK 2022

The annual campaign is focusing on helping Americans build financial resilience.

MCCU is a proud participant in America Saves Week, an annual national campaign that encourages individuals and families to check-in on their finances by highlighting several key areas that contribute to financial stability; such as saving automatically, preparing for unexpected expenses, retirement, and reducing debt. America Saves Week is February 21 - 25, 2022.

As part of America Saves Week, MCCU will share daily saving themes via social media in an effort to help build a financially resilient community.

“With so many Americans still feeling the financial distress from the pandemic, this national conversation is timely and needed. We look forward to supporting our community in gaining better savings habits and getting key strategies that enhance their financial wellness journey,” said Becky Hewitt, MCCU Marketing Representative.

Marshall Community Credit Union is a federally insured full-service financial institution with offices in Marshall, Battle Creek and Coldwater. For more information on products, services or membership, please contact 269.781.9885 or visit marshallcommunitycu.com.

Since 2007 America Saves Week, coordinated by America Saves and its partners, has been an annual celebration as well as a call to action for everyday Americans to commit to saving successfully. Through the support of thousands of participating organizations, together we encourage our local communities to do a financial check in to get a clear view of your money story and saving behaviors. The America Saves pledge is the online tool that allows savers to set a goal, and make a plan to achieve better financial stability.
