Financial Education Resources Available in Spanish

Marshall, Michigan – With a focus on its mission to partner with members for financial success through service, solutions, and education, Marshall Community Credit Union (MCCU) is proud to announce that its financial literacy partners, Zogo and It's a Money Thing, are now available in Spanish.

MCCU partnered with Zogo and It's a Money Thing in 2020 and 2021, respectively, to provide additional modes for individuals to learn about money. "Everyone learns differently, and being able to provide numerous methods of instruction allows individuals the opportunity to learn in their preferred style," said Laura Van Dyke, Financial Education Coordinator, MCCU.

Zogo, a gamified app, rewards individuals for completing financial literacy modules with points redeemable for gift cards. It's a Money Thing provides financial lessons in fun, bite-sized videos.

It's a Money Thing videos, in English and Spanish, are available via MCCU's website, and Zogo is available in Google Play or Apple App Store and language settings can be set in the app.
