## MCCU Donates Dictionaries to Harper Creek Middle School

Marshall Community Credit Union donated funds to Harper Creek Middle School through their mini-grant program, for the purchase of dictionaries for a 5<sup>th</sup> grade classroom. Julie Mathis, 5<sup>th</sup> grade teacher, submitted the application stating that the funds would be used to purchase 10 Webster's New World Dictionaries.

The dictionaries were needed to replace older ones that had been "well loved" by many former students. Fifth grades students in Ms. Mathis' classroom use dictionaries everyday to look up independent vocabulary words from chapter books they read.

MCCU's mini-grant program is available for teachers, administrators and school staff at any of their partner schools (those that participate in the credit union's CU In School program, an in-school, student run credit union branch). Participating schools include Mar Lee, Marshall Academy, Marshall High School, Marshall Middle School, Walters, Hughes, and Gordon Elementary, as well as Wattles Park Elementary and Harper Creek Middle School. Mini-Grants can be used for items or services that participating schools do not normally purchase through funding resources.
