## MCCU Donates to Marshall High School

Marshall Community Credit Union made a donation of \$275.00 to Marshall High School art teacher, Melissa Winchell, through their mini-grant program. Ms. Winchell submitted the application stating that the funds would be used to purchase a button/badge maker for the high school art classroom. "Students will be able to design and create buttons to be sold to raise money for the art classroom, as well as buttons to keep," said Winchell. The button maker was recently used to create buttons to be sold during Autism Awareness Week.

MCCU's mini-grant program is available for teachers, administrators and school staff at any of their partner schools (those that participate in the credit union's CU In School program, an in-school, student run credit union branch). Participating schools include Mar Lee, Marshall Academy, Marshall High School, Marshall Middle School, Walters, Hughes, Harrington and Gordon Elementary, as well as Wattles Park Elementary and Harper Creek Middle School. Mini-Grants can be used for items or services that participating schools do not normally purchase through funding resources.
