MCCU Donates to Mar Lee School

Marshall Community Credit Union made a donation of over \$200.00 to Mar Lee School through their mini-grant program. Middle School teacher, Stacy Tucker, submitted the application stating that the funds would be used to purchase 37 copies of the book, *A House With a Clock in its Walls*.

“We would love for our reading classes to read this book and then tour the Cronin house in downtown Marshall,” said Tucker. “This experience can connect students to local history in multiple ways. Students will compare the novel and movie after we read the book” she continued.

MCCU’s mini-grant program is available for teachers, administrators and school staff at any of their partner schools (those that participate in the credit union’s CU In School program, an in-school, student run credit union branch). Participating schools include Mar Lee, Marshall Academy, Marshall High School, Marshall Middle School, Walters, Hughes, Harrington and Gordon Elementary, as well as Wattles Park Elementary and Harper Creek Middle School. Mini-Grants can be used for items or services that participating schools do not normally purchase through funding resources.
