

Marshall Community Credit Union Mini-Grant Information and Guidelines

Marshall Community Credit Union will fund grants, limited to a certain total budget, through the 2018-19 school year. The success of the funding will be re-evaluated each calendar year.

The creation of our Mini-Grant Program is based on the following:

- Encourage support for staff and faculty of area schools.
- Keep parents informed about the activities and programs supported by Marshall Community Credit Union.
- Engage in projects that will enhance the quality of financial education and literacy at the school.

Eligibility

Any staff or faculty member of a participating school, regardless of the department. Schools include, Marshall High School, Marshall Middle School, Walters Elementary, Gordon Elementary, Hughes Elementary, Marshall Academy, Mar Lee School, Wattles Park Elementary and Harper Creek Middle School.

Funding

Marshall Community Credit Union shall be empowered to authorize mini-grants, limited to a maximum of \$750 and a minimum of \$100 each, through the 2018-19 school year. Budget permitting.

Details

To be used for educational items or services that participating schools do not normally purchase or provide through funding resources. Every qualified application will be considered, however, preference will be put on financial education and literacy based requests.

Requests should be submitted on an official Mini-Grant Application form.

Grant requests will be reviewed by the Marshall Community Credit Union Marketing Department for approval. Please allow appropriate time for the requests to be reviewed and granted.

Applicant may be asked to answer questions regarding the request to the Marketing Department of Marshall Community Credit Union. It is the intent to gather all information prior to consideration, therefore eliminating the need to prolong the request.

Any applicant awarded a grant will be asked to give a brief description as to how the grant was used. A student representative who may have benefited from the grant may also report.

All tangible items obtained through a grant will remain the property of the school and will be recorded as such.

If the grant request is to purchase instructional materials such as enhanced reading material or textbook material, please check with the Curriculum Director to verify if the material meets curriculum endorsement. Please have approval from the director signed on the paperwork for the grant prior to submission. Please list Title, Author, and the type of book (paperback, hardcover, etc.).

Grant materials and questions regarding procedures should be directed to Marshall Community Credit Union, Attn: Andrea Tucker at 269.781.9885 x3144 or 839 W. Green St. Marshall, MI 49068 or Fax 269.969.7933 or email to andrea.tucker@marshallcommunitycu.com.
