MCCU Holding *Summer Savings Giveaway* for Area Youth

Marshall, Michigan – Marshall Community Credit Union is holding its third annual *Summer Savings Giveaway*. The *Summer Savings Giveaway* is open to all area youth age 5-15.

“During the school year we operate our student-run credit union branches in area schools and we encourage kids to not only open their own savings account, but to start making deposits and begin saving their money” said Andrea Tucker, MCCU’s Financial Education Coordinator. With the credit union’s CU In School program, student members are incited to make these deposits at school by earning prizes and rewards throughout the school year. “What we’ve found, is that many of these kids want to keep making their weekly deposits throughout the summer months too. And we certainly don’t want to discourage that. So to encourage them to come in and continue to make those deposits, we started our *Summer Savings Giveaway*” continued Tucker.

During the month of July, students that make a deposit into their account at MCCU, will receive a free admission ticket to Full Blast Flash Flood Water Park! Students will receive one ticket per deposit, per day, while supplies last.

Stay tuned for an announcement regarding the August giveaway in late July!
