## Meet our Student Volunteers!

Congratulations to our current Student Volunteers: Branch Manager, Brookelyn S., Bookkeeper, Isabella H., Computer Operator, Neyla N. and Tellers, Carson C. and David B.

### REMINDER:

3rd-5th graders can turn in completed CU In School Student Volunteer applications at any time.

We will switch volunteers in December and in March.

\*\*Applications are available at the CU In School bulletin board as well as online: [Goo.gl/EzbgKX](http://Goo.gl/EzbgKX)

## Dollars for A's is BACK!

Bring your report card into either MCCU location (or CU In School branch) and we'll give you \$1 for every "A" (or "A" equivalent) you received!

**\*\*Report cards must be presented within 30 days of receiving it. \$5 maximum given, per student, per report card. \$15 maximum per school year.**

## Not a Member Yet?

It's easy! If your child would like to become a member, we simply need a **completed application** (available online; [goo.gl/svUxqe](http://goo.gl/svUxqe), and at the CU In School bulletin board outside the office), a **copy of the parent/guardian's photo ID**, a **copy of the child's Social Security Card** (or official tax document with their number on it) and an **initial deposit of \$5.00**. This is all it takes to start your child on the road to confident money management!

MCCU's mobile app ... just for kids!

MCCU's Member Jr. teaches children ages 2-12 to set savings goals, keep track of their accounts and other money concepts through fun and interactive games, guided by a cheerful pig named Piggums. Along with playful account tracking functions, Pig Charts give kids their own personal financial management tool to track their money habits. Games for different ages challenge children to keep learning valuable money skills while they plan. And Member Jr. 3.0 includes a chores section that gives families a quick way to assign and follow up on household tasks.

To download the FREE app, simply search for "Member Jr. —MCCU" in either the Google Play Store or iTunes Store. See for yourself how fun and educational, Member Jr. can be, by checking out our YouTube video here; <https://youtu.be/r4ZsckOLvGA>.
